www.fountainvalleycarshow.com

Dear Prospective Sponsor,

It is with great pleasure that I announce that the City of Fountain Valley, The Fountain Valley Community Foundation, and D&P Classic Chevy have teamed up to present the 2023 Fountain Valley Classic Car Show. This great event will take place on Saturday June 10th, 2023, at the Fountain Valley Recreation and Sports Park.

This successful yearly event will provide your company or organization with an exciting opportunity to help support our local business organization, public safety, and residents from Fountain Valley and the surrounding communities.

The huge success of this event is credited in large part to our sponsors who lend their names and financial support to this event in exchange for valuable sponsorship benefits as outlined on our sponsor page. Please review the sponsorship page below. We hope you will consider being one of our sponsors and commit an amount of sponsorship at the levels outlined below.

We are proud to announce that starting this year our show will be a benefit to honor our first responders including our Police, Fire, Military Veteran's, and emergency personnel.

We anticipate 300 classic vehicles along with thousands of spectators from throughout Southern California along with media coverage. This will be a great community event with fun for the entire family. We will have hundreds of beautiful classic cars, great food, music, vendors, a raffle, and much more. This is a day to honor our first responders and veterans that keep our community and our nation safe. The show is managed by volunteers from throughout our area.

As a sponsor your company will receive benefits designed to increase the visibility of your name and provide a return on your company's investment in our community. You can visit our website at www.fountainvalleycarshow.com to check us out and follow the links for more information. Feel free to call anytime to discuss sponsorship. We thank you in advance for considering a generous donation to our cause.

Sincerely,
Darryl Nance
